Non-electronic submission of Intellectual Property Rights infringement claims

Although the electronic communication channel provided above is the most expedited way to contact us, in case you have an IPR infringement claim, should you prefer so, you can alternatively send your claim to:

DOME PROJECT
IPR infringement claims
Glorieta Rubén Darío, 4
28010 – Madrid
Spain

Regardless of the means used to file the claim with the Marketplace, your claim must provide all the information stated in the Electronic Intellectual Property Rights infringement notification section.

Revision #3
