

How to check for a product qualification

The information of the compliance profile is available in the market place, including the DOME Compliance Level for each service offering.

To acquire more detailed information about the compliance profile 'view details' shall be clicked, and the detailed information will be shown .

The screenshot displays a product card for 'Smart City Monitor' on the DOME Marketplace. The card features a header image of a futuristic cityscape at night with the text 'Smart City Monitor' and logos for 'Pharos Navigator' and 'GOLEM.AT'. Below the image is a navigation bar with categories: 'DOME Marketplace', 'Service Management', 'Governance', 'Software as a Service (SaaS)', 'Internet of Things (IoT)', and a menu icon. The product title is 'Smart City Monitor for a Mid-sized Urban area (MUA)' with the description 'Cloud service for medium-size urban areas.' At the bottom, there are two buttons: 'View details' and 'Add to cart'.

Compliance profile

Basic level. Reached when the provider signs the "self attestation" document (attached below).
[You can find the self attestation document here.](#)

Product pricing
