DOME Marketplace Pricing for Providers

From the 1st of January 2026, the DOME Marketplace will operate under a value-aligned revenue model based exclusively on revenue-sharing. The pricing approach is designed to ensure that provider contributions are directly linked to actual business generated through the platform.

DOME Revenue Sharing

The revenue-sharing mechanism is designed to incentivise providers to increase their sales through the DOME Marketplace. As sales volumes grow, the applicable revenue-sharing percentage decreases according to the following revenue- sharing tiers:

Sales Volume per provider (Sales generated in the last 12 months)	**Revenue sharing %**
€0 – €100,000	4%
€100,001 – €250,000	3,5%
€250,001 – €750,000	3%
€750,001-€1M	2,5%
€1M+	2%
