Test contact question.

Information about the processing of personal data is as follows: Data Controller DOME. Purpose: to send you information about DOME's project by electronic means. Legal basis: data subject's consent. Recipients: The personal data collected will not be communicated to third parties, unless requested by public administrations or if required by law. Exercise of Rights: sending an email to privacy.helpdesk@dome-project.eu, indicating in the subject line: 'Exercise of rights'. You are also entitled to be assisted by a Data Protection Authority. Find more information about personal data processing in our [here](#).

Submit

Once you've clicked on submit your email application in your computer will popup with the information that you've filled shown and the proper receiver set. Finally you'll see a gratitude message on the marketplace. As soon as the support team is available they'll answer you and you'll receive an email with your inquiries solved.
